

Rapulu is a normal African boy, so he perceives but at first his friends refused to agree to this due to his condition of albinism. However, when he stays away from them, they realize that nothing is quite as much fun without him. Hop on this adventure as we discover what truly makes Rapulu special.

The fact that playing football together can break the barriers of tribe and skin colour is beautifully illustrated. Children will learn about the power of friendship and tolerance,

★★★★★ Kanu Nwankwo, Professional footballer
