

Annotated Filmography

ENGLISH

A companion to BGHRA's viewing list: 159 entries covering films, documentaries, series and screen performances. Includes 48 main listings and 111 additional screen credits. A work may be indexed through different contributors more than once.

Short annotations describe each work and its relevance to the collection. Original titles and credited names are retained. Bibliographic details follow the online list; forthcoming works and projects in progress remain labeled. Check linked sources for editions, credits, access and availability. Titles may retain the explanatory wording used in BGHRA's book spotlights.A named person may contribute as a director, writer or performer; the role is identified separately. A trailer link does not imply free access to the complete film.
